

No. SAI/OPS/NCOEs/Circular/2020-21

Dated: 27<sup>th</sup> October, 2021

**CIRCULAR**

It has been brought to the notice of the competent authority that the scientific staff including strength and conditioning trainers are being asked for personalised training of officials and other individuals. As all are aware that these experts have been appointed for scientific needs of the Athletes and their use for other purpose including guidance or personalised training to officials other than Athletes will amount to mis-use of the expertise and authority of senior officers.

I am further desired to say that in case any such case is reported, strict action against the official will be initiated.

  
(Shiv Sharma)  
Executive Directors(Ops.)

To,

**All Sports Science Staff**

Copy to:-
