February 26, 2021

CIRCULAR

The SAI athletes have been participating in various National Level Competitions round the year representing their respective states. In a few disciplines, SAI has also been fielding its team for which selection trials are conducted to form a team and those athletes who do not make it to SAI team, are allowed to participate in selection trials conducted by States.

The interest of athletes will be better served if they represent their State. Therefore, considering the over all sports career progression of the athletes, it has been decided that the concerned coaches of SAI will ensure that the athletes participate in the selection trials conducted by the State Association of the concerned discipline. Those who do not qualify for selection by the State Association, will participate in the selection trials conducted by SAI.

Regional Directors may please ensure implementation of decision with immediate effect.
