Sub: Regarding age criteria for induction of athletes in all SAI NCOEs.

It has been observed that there have been age criteria for induction of athletes as athletes in SAI NCOEs as per the recommendations of concerned TIDC (Talent Identification Development Committee). The age restriction creates a possibility of missing out of some outstanding talented athletes for induction. It is hereby conveyed that irrespective of age criteria the talented athletes may be considered for induction based on recommendation of Talent Identification development committee.

This issues with the approval of DG, SAI.
