# INDIA'S HISTORY IN OLYMPICS

-  India first participated in Olympic Games in 1900 (Paris) with a lone athlete (Norman Pritchard) winning two silver medals in athletics.
-  India first sent a team to the Summer Olympic Games in 1920. Official representation by India was made in 1928 Amsterdam Olympics with the formation of Indian Olympic Association in 1927.
-  Indian athletes have won a total of 26 medals so far, mostly in field hockey (11).
-  The men's field hockey team was dominant in Olympic competition, winning eleven medals in twelve Olympiads between 1928 and 1980, including six successive Gold medals from 1928-1956.
-  Abhinav Bindra scripted history by becoming first individual Gold medalist for India in Beijing 2008. His feat was amply supported by medal each in boxing & wrestling.
-  Highest medal haul for India was at 2012 London Olympics with six medals.
