

Press Statement

A coach posted in Dr. Karni Singh Shooting Range has tested Covid positive. The result of the test was intimated to the authorities by the coach on July 30. The coach had visited the centre's administrative department only on July 24, 2020. She did not visit the Field of Play or interacted with any athlete training at the centre. All actions as per protocol have been taken.

The centre has been sanitized and training of shooters will be not be affected.
