Sub- Fit India Week 2024-reg

Fit India School Week was conceived in the year 2019 with the imperative need of creating awareness about fitness among children, parents, teachers and school staff. In this campaign, school fraternities across the country were encouraged to celebrate 4 to 6 days in a week to promote a healthy and active lifestyle by indulging in various activities such as debates, quiz, essay writing, poster-making competitions, yoga and meditation, pledge of fitness, indigenous sports, running/races, cycling races, popular sports & fun games, idea generation contests & entrepreneurship building etc. The 1st edition of Fit India School Week was celebrated in the 3rd week of November 2019 as Fitness Week in partnership with the Ministry of Education. More than 15,000 schools participated in the 1st edition of Fit India School week. In the subsequent five editions, the Fit India Week has been observed by 18.5 Lakhs schools the details of which are as under:

In order to propagate and popularize the Fit India School Week among the school fraternity and general population at large, the public representatives namely the Hon'ble Members of Parliament and Hon'ble Members of Legislative Assembly were requested to attend the Fit India School Week celebrations in a school in their respective constituency. Their presence played a pivotal role in showcasing the popularity of Fit India School Week which was further amplified by extensive media coverages.

3. It is pertinent to mention that, the 5th edition of Fit India School Week was rechristened as "Fit India Week 2023" to expand the outreach of the week to include colleges, universities and higher educational institutions (HEI) and organized from 15th November 2024 to 31st January 2024. Dear Sanjay,

At the outset, let me express the gratitude of the Fit India Mission to the Department of School Education and Literacy, for its support in making the previous five editions of the Fit India School Week a success. The past editions have witnessed a cumulative participation of over 18 Lakh schools.

2. As we embark on the 6th edition of the Fit India Week, our goal is to make this year's event bigger and more inclusive than ever. Building on the enthusiasm of schools, colleges, and universities, it shall be our endeavour to make fitness a part of daily life style and spread the message of fitness among various segments of the population. This year, the Fit India Week is scheduled to be celebrated from **15th November to 31st December 2024**. During this period, schools and colleges are encouraged to conduct a range of fitness activities over 4 to 6 days of the chosen week.

3. In this regard, it is requested to kindly issue necessary directions to CBSE, CISCE, KVS, JNV, States/UTs and State Education Boards to encourage all schools and colleges to register for the Fit India Week and celebrate it in a grand manner. The details of the Fit India Week would be available from first week of November, 2024 on the Fit India portal [<https://fitindia.gov.in>].

4. It is also suggested that the Annual Sports Day of schools be celebrated on any day falling the Fit India Week, to promote a culture of sports. Schools may also be directed to provide the fitness reports of the students to their parents during this campaign. Details of the talented athletes identified by the schools and colleges during their Annual Sports Day can be shared on a dedicated link, details of which would be available on the Fit India portal. Further students and teachers can be encouraged to use bicycle for commuting with due focus on road safety.

5. A list of suggestive activities for the Fit India Week, 2024 incorporating the celebrations of the Annual Sports Day are enlisted in the SOP enclosed herewith.

6. I look forward to your continued support to make the Fit India Week a big success.

Best wishes,

Yours sincerely,
