

No. 1(1)/RD(Pers.)/Misc./2018

Date : 26/09/2018

NOTIFICATION

In terms of Rule 225(ii) of GFR, Standard forms of contracts are to be adopted. Earlier, in October 2015, Standard Form of Templates cotaing six chapters was notified by Head Office, SAI for adoption by all the Regional Centers/Institutes/HO and subordinate offices under their jurisdiction. With coming into force GFR 2017 and notification of Mannual on Procurement of Goods & Services by Ministry of Finance, a need was felt to review the Standard Bidding Documents notified in 2015.

Accordingly, the draft Standard Bidding Documents containing eight chapters this time were mailed to all the end-users for comments/inputs based on their experience in using the templates. But no much response could come and finally after review by a committee in Head Office, the Standard Bidding Documents have been finalized for seven chapters excluding Mess services and approved by DG,SAI.

The SBD are now being mailed with directions that all end-users including their subordinate offices should adopt the said document for floating tenders on the subject matter. The said document can be customized with modifications as are considered necessary in respect of individual contracts in consultation with associated Finance at Regional centres/Institutes.
