Khelo India & Corporate Sponsorship

- 1.6 With sports being an extremely important component for development in India, Khelo India aims to create the Khelo India Youth Games and Khelo India University Games a self-sustaining model of excellence. A step ahead to this long-term aim can be achieved with the continuous support from corporate and business houses wherein they can extend their contribution in the form of sponsorship for the Khelo India Games. Sponsorship is a great source and the most lucrative form to add additional revenues for the conduct of these games which will lead to development of the sports culture in India.
- 1.7 With the objective of sponsorship being a win-win and work-work, it can also help companies and businesses reach target audience / customer group with additional benefits of garnering goodwill to their brand names. It provides a competitive edge that goes beyond product and price. Both Khelo India and the sponsor can benefit from the partnership with success depending on both working together to ensure each other's success.

Benefits of Sponsorship

- 1.8 The range of events and entities that businesses sponsor is broad. They tend to sponsor from school games and leagues to the Olympics. Over the last four years, Khelo India has established a widespread visibility in variety of sporting ways and through the Khelo India Games which is evolving with every edition.
- 1.9 **For achieving greater efficiency and value, it has been decided to standardize the Sponsorship and Media and Broadcasting rights for a period of five (5) years. This would enable greater revenue flow as well as garner excellent viewership and goodwill to the sponsors.** This will help in establishing long-running associations with the Khelo India Games, serving as sponsor for a duration of five (5) years so that their connection becomes firmly established in the public perception. This in turn can help them elevate their brand image within and outside of their existing customer base.
- 1.10 With additional financial security through potential sponsors, SAI can take the Khelo India Games to an elevated level. It can make the event become stronger providing more resources which can further add more credibility to the mission and vision envisaged during the implementation of the games.
- 1.11 Partnering with an event like Khelo India Youth Games, sponsors get the opportunity to get better brand visibility and reach out to the new and young audience taking part in the Games. Logos and the brand images catch the eyeballs creating engagement with the audience attending the Games. In the last edition of Khelo India Youth Games, the sponsors were able to reach out to close to 20,000 audiences with a potential to tap into additional business.
- 1.12. As the Games are broadcasted on prominent TV platforms, Over-The-Top (OTT) and social media with wide outreach and customer base, the sponsors get the additional

leverage on the visibility of their brand images, logos and product during the games. In this regard it is to be mentioned that the next edition of Khelo India Youth Games will be broadcasted on **Star Sports**, OTT and other platforms. On an average, **more than 80 million viewership had been garnered in the last 3 editions of Khelo India Youth Games** giving the extra push to the sponsors
