- 20.4 Submission of more than one bid by the same bidder shall entail him for disqualification for participating in the bid process.

**(f) BID OPENING**

**21 Opening of bids**

- 21.1 The SAI will open the bids at the specified date, time, and place as indicated in the IFB in Section-I. If due to administrative reasons the venue / date/ time of bid opening are changed, it will be uploaded on CPP Portal and on the SAI's website.
- 21.2 In case the specified date of bid opening falls on a holiday or is subsequently declared a holiday or closed day for the SAI, the bids will be opened at the appointed time and place on the next working day.
- 21.3 Authorized representatives of the bidders, who have submitted bids on time may attend the bid opening provided they bring with them letters of authority from the corresponding bidders. Letter of authority for attending the bid opening meeting should be in the format placed at Section IV (F).
- 21.4 Two – bid system as mentioned in **Para 13 above** will be as follows: -
- a) Technical Bids will be opened in the first instance, at the prescribed date and time as indicated in Section –I (IFB). These bids shall be scrutinized and evaluated by the SAI with reference to parameters prescribed in the Bid Document. During the Technical bid opening, the bid opening official(s) will read the salient features of the bids like brief description of the items offered, delivery period, Bid Security and any other special features of the bids, as deemed fit by them.
  - b) Financial Bids of only the technically acceptable bids / offers (as decided in the first stage) shall be opened for further scrutiny and evaluation on a date notified after the evaluation of the Technical Bid. The prices, special discount if any offered etc., as deemed fit by bid opening official(s) will also be read out.

**(g) SCRUTINY AND EVALUATION OF BIDS**

**22 Basic Principle**

Bids will be evaluated on the basis of the terms & conditions already incorporated in the TE document, based on which tenders have been received and the terms, conditions etc. mentioned by the bidders in their tenders. No new condition will be brought in while scrutinizing and evaluating the tenders.

**23 Scrutiny of Tenders**

- 23.1 The SAI will examine the Tenders to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed stamped, and whether the Tenders are generally in order.
- 23.2 SAI will determine the responsiveness of each Tender to the TE Document without recourse to extrinsic evidence.
- 23.3 The tenders will be scrutinized to determine whether they are complete and meet the essential and important requirements, conditions, etc. as prescribed in the TE document. The tenders, which do not meet the basic requirements, are liable to be treated as non – responsive and will be summarily ignored.
- 23.4 The following are some of the important aspects, for which a tender shall be declared non – responsive and will be summarily ignored;
- a) Qualification Criteria not enclosed
  - b) Bidding Documents & Submitted documents are unsigned.
  - c) Tender validity is shorter than the required period
  - d) Required EMD (Amount, validity, etc.) documents have not been provided
  - e) Bidder has not agreed to give the required performance security.

- f) Bidder has not agreed to other essential condition(s) specially incorporated in the tender enquiry like terms of payment, liquidated damages clause, warranty clause, dispute resolution mechanism applicable law.
- g) Poor/ unsatisfactory past performance.
- h) Bidder has not quoted for the entire work as specified in the Scope of Work as well as in the Price Schedule.
- i) Bidder has not complied with the requirement of Clauses of ITB.

#### **24 Minor infirmity/irregularity/non-conformity**

If during the preliminary examination, the SAI finds any minor infirmity and/ or irregularity and/ or non-conformity in a tender, the SAI will convey its observation on such 'minor' issues to the bidder by CPP Portal/Email/Speed Post, etc. asking the bidder to respond by a specified date. If the bidder does not reply by the specified date or gives an evasive reply without clarifying the point at issue in clear terms, that tender will be liable to be ignored.

#### **25 Discrepancies in Prices**

- 25.1 If, in the price structure quoted by a bidder, there is a discrepancy between the unit price and the total price (which is obtained by multiplying the unit price by the quantity), the unit price shall prevail and the total price corrected accordingly, unless the SAI feels that the bidder has made a mistake in placing the decimal point in the unit price, in such case the total price as quoted shall prevail over the unit price and the unit price corrected accordingly.
- 25.2 If there is an error in a total price, which has been worked out through addition and/or subtraction of subtotals, the subtotals shall prevail and the total corrected, and
- 25.3 If there is a discrepancy between the amount expressed in words and figures, the amount in words shall prevail, subject to subclause 25.1 of ITB.
- 25.4 If, as per the judgment of the SAI, there is any such arithmetical discrepancy in a tender, the same will be suitably conveyed to the bidder by registered/speed post. If the bidder does not agree to the observation of the SAI, the tender is liable to be ignored.

#### **26 Qualification Criteria**

Bids of the Bidders, who do not meet the required Qualification Criteria prescribed in Clause 13 of Section II A read with Section III (A), will be treated as non-responsive and will not be considered further.

#### **27 Comparison of Bids and Award Criteria**

- 27.1 The work/contract shall be awarded to the responsive Bidder(s) **who is overall lowest on the total estimated cost.**
- 27.2 All duties, taxes, and other levies payable by the bidder shall be included in the quoted overall cost.

#### **28 Contacting the Client**

- 28.1 From the time of submission of tender to the time of awarding the contract, if a BIDDER needs to contact the SAI for any reason relating to this tender enquiry and / or its tender, it should do so only in writing.
- 28.2 In case a bidder attempts to influence the SAI in the SAI's decision on scrutiny, comparison & evaluation of tenders, and awarding the contract, the tender of the bidder shall be liable for rejection in addition to appropriate administrative actions will be taken against that bidder, as deemed fit by the SAI.

## **(h) AWARD OF CONTRACT**

### **29 The SAI's Right to accept any tender and to reject any or all tenders**

The SAI reserves the right to accept or reject any or more tender(s) without assigning any reason or to cancel the tendering process and reject all tenders at any time prior to the award of the contract, without incurring any liability, whatsoever to the affected bidder (s).

### **30 Notification of Award**

30.1 The bidder whose bid has been accepted will be notified of the award by the SAI prior to the expiry of the bid validity period.

30.2 Before the expiry of the bid validity period, the SAI will notify the successful bidder in writing, by registered / speed post or by CPP PORTAL/ email that its bid for items, which have been selected by the SAI, also briefly indicating there-in, that the essential details like description and prices have been accepted. The successful bidder must furnish to the SAI the required Performance Security within 03 days from the date of dispatch of this notification, failing which the Bid Security will be forfeited and the award will be cancelled. Relevant details about Performance Security have been provided under GCC Clause 19 under Section VI.

30.3 The Letter of Award (LoA) will state the sum that the SAI will pay to the successful bidder in consideration of the services to be provided by him.

30.4 The details of the award of work and the name of the successful bidder shall be mentioned on the CPPP and also in the notice board/bulletin/website of SAI.

30.5 Notification of Award shall constitute the conclusion of the Contract.

### **31 Issue of Contract**

31.1 Promptly after notification of award, the SAI will mail the Contract Agreement as per Section VII (A), duly completed and signed, in duplicate, to the successful bidder by registered / speed post.

31.2 The successful bidder shall return the original copy of the contract, duly signed and dated, to the SAI by registered/ speed post within 05 days from the date of issue of the contract.

### **32 Variation of quantities**

32.1 The SAI reserves the right to increase or decrease the work as required.

32.2 The SAI shall have reserve right to make any alterations, omissions, additions to, or substitutions in the original specifications, drawings, designs, and instructions, that may appear to him to be necessary during the progress of the work and the contractor shall carry out the work in accordance with any instructions which may be given to him in writing signed by the SAI, and such alterations, omission, additions or substitutions shall not invalidate the contract and any altered, additional or substituted work, which the contractor may be directed to do in the manner above specified, as part of the work, shall be carried out by the contractor on the same conditions in all respects on which he agrees to do the main work.

### **33 Annulment of Award**

Failure of the successful bidder to comply with the requirement of signing an agreement with the SAI and furnishing Performance Security as per clause 11 of Section VI shall constitute sufficient ground for annulment of the award and forfeiture of bid security.

### **34 Termination of Award of Work/Award Letter**

34.1 If the Contractor fails to carry out any obligation under the Award of Work, the Competent Authority of SAI may by notice require the Contractor to make good the failure and to remedy it within a specified reasonable time.

- 34.2 The Competent Authority of SAI shall be entitled to terminate the Contract if the Contractor
- a. abandons the Works or otherwise plainly demonstrates the intention not to continue the performance of his obligations under the award of work;
  - b. the Contractor is declared as bankrupt or goes into liquidation other than for approved reconstruction or amalgamation;
  - c. without reasonable excuse fails to comply with the notice to correct a particular defect within a reasonable period of time;
  - d. the Contractor has delayed the completion of the Works by such duration for which the maximum amount of liquidated damages is recoverable;
  - e. If the Contractor, in the judgment of the Competent Authority of SAI has engaged in corrupt or fraudulent practices in competing for or in executing the contract;
  - f. Any other fundamental breaches as specified in the bid document/award of work.
- 34.3 In any of these events or circumstances, the Competent Authority of SAI may, upon giving 07 days' notice to the Contractor, terminate the Contract and expel the Contractor from the Site. However, in the case of sub-paragraph (b) or (e) of clause 34, the Competent Authority of SAI may terminate the Contract immediately.
- 34.4 Notwithstanding the above, the Competent Authority of SAI may terminate the Contract for convenience by giving notice to the Contractor

**35 Non-receipt of Performance Security and Contract by the SAI**

Failure of the successful Bidder in providing Performance Security and / or returning contract copy duly signed in terms of ITB shall make the Bidder liable for forfeiture of its bid security and, also, for further actions by the SAI against it including termination on default and other administrative actions as deemed fit by the SAI.

**36 Corrupt or fraudulent practices**

- (i) It is required by all concerned namely the Service provider/SAI to observe the highest standard of ethics during the procurement and execution of such contracts. In pursuance of this policy, the SAI:
  - a) Will reject a proposal for award if it determines that the bidder recommended for award has engaged in corrupt or fraudulent or collusion or coercive practices in competing for the contract in question;
  - b) Will declare a firm ineligible or blacklist, either indefinitely or for a stated period of time, to be awarded a contract by the SAI if it at any time determines that the firm has engaged in corrupt or fraudulent or collusion or coercive practices in competing for, or in executing the contract
  - c) The SAI reserves the right not to conclude the contract and in case the contract has been issued, terminate the same, if found to be obtained by any misrepresentation, concealment, and suppression of material facts by the bidder. In addition, Bid Security/ Performance Security (as the case may be) deposited by the bidder shall be forfeited and legal as well as administrative action for such misrepresentation, concealment, and suppression of material facts shall be initiated.

**37 Conflict of Interest among bidders/agents**

37.1 A bidder shall not have a conflict of interest with other bidders. Such conflict of interest can lead to anti-competitive practices to the detriment of SAI's interests. The bidder found to have a conflict of interest shall be disqualified. A bidder may be considered to have a conflict of interest with one or more parties in this bidding process if;

- a) they have controlling partner (s) in common; or
- b) they receive or have received any direct or indirect subsidy/financial stake from any of them; or
- c) they have the same legal representative/agent for purposes of this bid; or
- d) they have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the bid of another bidder; or
- e) the bidder participates in more than one bid in this bidding process. Participation by a bidder in more than one Bid will result in the disqualification of all bids in which the parties are involved. However, this does not limit the inclusion of the components/sub-assemblies from one bidding manufacturer in more than one bid.
- f) in the case of a holding company having more than one independent unit, or more than one unit having common business ownership/management, only one unit should quote. Similar restrictions would apply to closely related sister companies.  
Bidders must proactively declare such sister/common business/management units in the same/similar line of business.

**SECTION – II (B)**  
**INSTRUCTIONS FOR ONLINE BID SUBMISSION**

1 The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, preparing their bids in accordance with the requirements, and submitting their bids online on the CPP Portal. For more information useful for submitting online bids on the CPP Portal may be obtained from: <https://eprocure.gov.in//eprocure/app>.

**2 REGISTRATION**

2.1 Bidders are required to enrol on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in//eprocure/app>) by clicking on the link “Online bidder Enrolment” on the CPP Portal which is free of charge.

2.2 As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.

2.3 Bidders are advised to register their valid e-mail address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.

2.4 During enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify/TCS/nCode/eMudhra, etc.), with their profile.

2.5 Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible for ensuring that they do not lend their DSC's to others which may lead to misuse.

2.6 Bidder then logs in to the site through the secured log-in by entering their user ID /password and the password of the DSC / e-Token.

**3 SEARCHING FOR TENDER DOCUMENTS:**

3.1 There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option for advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords, etc. to search for a tender published on the CPP Portal.

3.2 Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective ‘My Tenders’ folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.

3.3 The bidder should make a note of the unique Tender ID assigned to each tender, in case if they want to obtain any clarification / help from the helpdesk may use it.

**4 PREPARATION OF BIDS:**

4.1 Bidder should take into account the corrigendum published on the tender document before submitting their bids.

4.2 Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted and the number of documents – including the names and content of each of the documents that need to be submitted. Any deviations from these may lead to rejection of the bid.

4.3 Bidder, in advance, should get ready the technical bid documents to be submitted as indicated in the tender document, **they should be in PDF format**. Bid documents may be scanned with 100 dpi with a black and white option which helps reduce the size of the scanned document.

- 4.4 To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided the bidders. Bidders can use “My Space” or “Other Important Documents” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

## 5 SUBMISSION OF BIDS:

- 5.1 Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 5.2 The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 5.3 **Bidder has to select the payment option as “offline” to pay the EMD as applicable and enter details of the instrument.**
- 5.4 The bidder should prepare the EMD/Exemption Certificate as per the instruction specified in the tender document. The original should be posted/couriered/given in person to the office of The Regional Director, Sports Authority of India, Regional Centre, Akurli Road, Kandivali (E), Mumbai, Maharashtra - 400101 latest by the last date of bid submission or as specified in the tender documents. The details of the EMD/Exemption Certificate physically sent should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.
- 5.5 The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 5.6 All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128-bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further, this key is subjected to asymmetric encryption using buyers/bid openers public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 5.7 The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 5.8 Upon the successful and timely submission of bids (i.e. after Clicking “Freeze Bid Submission” in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with bid no. and the date & time of submission of the bid with all other relevant details.
- 5.9 The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.
- 5.10 The tenders will be received online through portal <http://eprocure.gov.in/eprocure/app>. In the Technical Bids, the bidders are required to upload all the documents in **pdf format & Financial Bid is to upload in BoQ format (MS Excel)**. All bids **(Both Technical and Financial should be submitted in the E-procurement portal)**.

- 11.4 The Client will release the Performance Security without any interest to the contractor on completion of all the contractual obligations including the warranty obligations.
- 12) **VARIATION AND SCHEDULE OF QUANTITIES.** The quantities set out in the schedule of items are the estimated quantities of the permanent work only. Any individual items may vary to any extent or be excluded altogether. The actual quantities may vary from those indicated in the tender documents due to the actual condition of the site or due to other reasons. The contractor shall carry out all work strictly as per CPWD manuals/specifications.
- 13) The contractor should depute a qualified supervisor dedicated to this work, who will monitor and coordinate work from the contractor's side and interact with the SAI officers, responsible for the supervision of work, on a regular basis.
- 14) The contractor will take due permission for entry of all his workmen in SAI RC Mumbai. No unauthorized person will be allowed to work inside.
- 15) The contractor will arrange all necessary materials, tools, equipment, access ladders & scaffolding, measuring instruments and working consumables etc. needed for the execution of the works. Safe custody of all such material will be the contractor's sole responsibility. No extra charges will be paid for the same. Watch and ward off all material till the system is taken over by SAI RC Mumbai shall be the sole responsibility of the contractor and pilferage etc. shall be entirely to his account.
- 16) During execution of work, Competent Authority, SAI can make minor changes in the scope of work as per site conditions or other reasons.
- 17) If during the execution of works, any damage is caused to SAI property by the contractor's workers, the contractor will duly make good the loss. SAI has the right to make suitable deductions from the contractor's bills along with a penalty if the contractor fails to make good the loss.
- 18) During the execution of work, the contractor should follow all standard norms of safety measures/precautions as per relevant IS codes and CPWD specifications to avoid accidents/damages to man, machines, and buildings, at his own cost. The contractor will have his own arrangement to escort the labour to the nearest hospital for treatment in case any injury happens to any worker during the execution of work.
- 19) Manpower deployed by the contractor at our site for carrying out contract works is strictly prohibited being associated with any other works on the campus.
- 20) No material belonging to the contractor whether consumable or non-consumable should be brought inside the SAI RC campus without proper entry at the Main Gate nor any material should be taken out without a proper gate pass issued by the authorized representatives of the Centre.

- 21) During the execution of the work, the contractor should dispose of waste material on a regular basis and should keep the area of work properly neat and clean as far as possible. After completion of work, the contractor should clear the site completely of all unwanted and junk material before submitting his final bill.
- 22) Contractor shall arrange for the water and electricity during the execution of work. SAI RC Mumbai shall not bear any responsibility regarding this at no point of time.
- 23) Contractor shall have to make his/her own arrangements for accommodation/residence of the workers/labour engaged during the execution of the work, that too outside of the premises of SAI RC Mumbai. No extra cost shall be paid by SAI RC Mumbai in this regard.
- 24) If a dispute or difference of any kind shall arise between the SAI and the contractor in connection with or relating to the Contract, the parties shall make every effort to resolve the same amicably by mutual consultations.
- 25) If the parties fail to resolve their dispute or difference by such mutual consultation within twenty-one days of its occurrence, then, either the SAI or the contractor may give notice to either party of its intention to commence an arbitration, as hereinafter provided the applicable arbitration procedure will be as per the Arbitration and Conciliation Act, 1996 of India. In the case of a dispute or difference arising between SAI and the contractor relating to any matter arising out of or connected with the Contract, such dispute or difference shall be referred to the sole arbitration appointed to be the arbitrator by the Director General, SAI. The award of the arbitrator will be final and binding on the parties of the contract. The procedure to be followed during arbitration and the fee of arbitrators shall be as per prevailing rules and policies of SAI.
- 26) The work shall be executed and accepted strictly according to CPWD specifications/manuals.
- 27) Venue of Arbitration: The venue of arbitration shall be the place from where the contract has been issued, i.e. **Mumbai** only.
- 28) The Courts of Mumbai will have the exclusive jurisdiction to trial the disputes.
