Submitted for consideration and further directions of Departmental Project Approval Committee.

Agenda Item No. 4: Budget of Time and Scoring Result (TSR) for KIYG 2020

It may be noted that for the 1st edition of the Games, as all NSFs were not in an equitable position to deal with the TSR vendors, it was decided that all TSR requirements should be fulfilled by floating a RFP for hiring of all TSR requirements for proper conduct of the Games. In this regard, the TSR was managed by OC-KISG at an estimated cost of Rs. 92,96,504/-.

Further for the second edition of the Games, it was noted that TSR is an extremely critical feature of the good marketing of the Games. The output generated from TSR on digital platform and on graphics has to be in synchronization and seamless integration with the broadcast signal which will be telecast on TV and digital platforms. In addition to the above, it was also noted that the Games Management System was to be developed to capture all the relevant information about the athletes, support staff and other participants. Additionally, information from result management system (schedule, fixture, venues, equipment) and logistics management (accommodation, transport, vendor management, inventory and distribution channel) are also required as part of Games Management System. In this regard, it was decided that the Host Broadcaster, i.e. M/s Star India Pvt. Ltd. should handle the complete end-to-end TSR management including the software, hardware and information about the participants to have a comprehensive solution.

However, it may be noted that in the previous two editions it was observed that TSR was not of the requisite quality and faced lots of problems. Thus, in the meeting of DPAC dated 14.08.2019, the committee entrusted the responsibility to hire required TSR, to the respective National Sports Federations (NSFs), for conducting the Khelo India Youth Games 2020.

As in KIYG 2020 there are 20 Sports Disciplines for which the required TSR system should be of International Standard so that the output generated from TSR on digital platform with graphics would get synchronized easily with the system of M/s Star Sports Pvt. Ltd., and as responsibility for the same is with the NSFs, NSFs were requested to submit the estimates for the hiring of vendor for TSR.

Against the received estimates, negotiations were held with the NSFs and it has been estimated that the overall cost of TSR for 20 Sports disciplines shall be **Rs 2,26,00,000/- (approximately)**.

In view of the above, the approval of the Departmental Project Approval Committee is hereby solicited for the following:

(i) Total financial implication of TSR i.e., Rs 2,26,00,000/- to be released to concerned NSFs for Khelo India Youth Games (KIYG) 2020.

(ii) DG, SAI may be authorized to approve grants to different NSF within approved budget.

Agenda Item No. 5: Additional requirement of funds due to increase in budget of Apparel because of inclusion of requirement of University Games.

The DPAC Committee in its meeting held on October 15, 2019 approved budget of Rs.10 Crores for the procurement of Sports Kits for **Khelo India Youth Games (KIYG) 2020**. Subsequently it was also decided to hold Khelo India University Games in Odisha. In order to take advantage of scale, the requirement of kitting for University Games was also included in the tender floated for apparel of KIYG.

In view of the above and revised quantities as per details given below, the total Budget for the procurement of Sports Kit would be Rs.20 Crores.:

1. For athletes, support staff, Media, Volunteers, members of Talent Identification committee, members and officials of KIYG 2020.
2. Athletes of NCOEs
3. Khelo India Athletes
4. For athletes, support staff, Media, Volunteers, members of Talent Identification committee, members and officials of Khelo India AIU Games 2020.

In view of the above, the approval of the Departmental Project Approval Committee is hereby solicited for the approval of the Budget of Rs 20 Crores excluding taxes for the procurement of Sports Kits for above-mentioned components.

Agenda Item No. 6: Financial Implication for distribution of cash awards to medallists of Khelo India Youth Games (KIYG) 2020

The same matter was placed before the DPAC meeting held on 15/10/2019 and was deferred.

With reference to Khelo India review meeting held on 13 Aug 2019, it is recorded in the proceeding that a suitable cash prize should be given to the winners at par with the winners of the international events.
