

CIRCULAR

It has been brought to the notice of this office that the strength and conditioning trainers are being asked to spare time for personalized training of individuals other than athletes. It has to be noted that these trainers and other sports science experts have been hired exclusively for attending to the needs of athletes. Therefore, no strength and conditioning expert will attend to the personal requirement of any individual including officers of the Region/NCOE.

All scientific staff including strength and conditioning experts may be asked to submit their monthly brief of roles and responsibilities and duties performed during the month to the Head, Sports Science, in head office who will submit a brief on the subject to the DG and Operations Division by 5th of following month.

All Regional Directors are requested to please ensure that the services of these scientific staff us used exclusively for the athletes.

In future if any case any such case is reported, strict action against the officers requisitioning their services will be taken.

(Shiv Sharma)
Executive Directors(Ops.)

To,

All Heads of Regional Centres/Academic Institutions/Stadia
