CIRCULAR

It has been observed that Regional Centers (RCs) are floating tenders without compliance to following new procurement policies regarding Preference to Make in India and complaints regarding the same are being received from Department for Promotion of Industry and Internal Trade:

- Provisions of Public Procurement (Preference to Make in India), Order 2017 as amended on 16th September 2020; and
- Provisions under Rule 144(xi) of the GFR which mandates the bidder from a country sharing land border with India to be registered with a competent authority.

In this regard, I am directed to convey that all Regional/NCOE heads have to ensure that all tenders (goods/services and works) floated include above provisions.
