No.49/SAI/OPS/NCOEs/Circular/2021-22

July 1, 2022

CIRCULAR

Kind attention is invited to the DG's review meeting with Regional Heads held on 05.04.2022 through video conferencing and Circular dated 8th April 2022 (copy enclosed for ready reference) wherein it was decided that attendance of all the athletes in various schemes are to be monitored through facial attendance. In this regard a considerable achievement is made by most of the schemes all over India which is giving a true picture of athletes actually undergoing training at various centres.

It may be considered that boarding and lodging facilities are provided to the sportspersons with a view to have uninterrupted training. In the case of team event, unless the entire members of the team are present, it will be practically difficult to conduct the smooth training. It is agreed that some of the athletes are undergoing competition which is their achievement and a minority could not attend due to the health issues. However, a sizeable number of absentism is a matter of concern and will affect the regular training of the discipline. Attention of every Regional Director is invited to have a weekly review with the Incharges of STC and NCOE under their jurisdiction to reduce the number of absentism to ensure effective training.

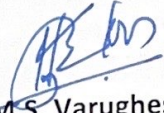

It is also decided by the Competent Authority that the financial allocation, especially on boarding charges will be restricted to the facial attendance of the athletes as boarding facilities are not extended to the trainees who are on leave and away from the Centre.

Incharge of STCs, NCOEs are requested to calculate the boarding expenditure for the month of June 2022, based on facial attendance of the athletes alongwith the actual expenditure incurred. Variation in this regard may be brought to the notice for taking appropriate corrective measures. This exercise is to be completed by the first

.....2/-

: 2 :

week of July and Regional Directors may conduct a review by 7th July and submit a consolidated report of STC/NCOE under their jurisdiction on boarding expenditure before 10th July. Practical difficulties faced by the Incharges in implementing this method and a solution/suggestion is welcomed. However, fund from the second quarter will be strictly based on the facial attendance of the athletes in the scheme and any expenditure over and above may not be entertained.

(M.S. Varughese)

Executive Director (Operations)

To,

The Heads of all Regional Centres/Academic Institutions – with a request to circulate among the Incharges of STCS/NCOEs/all Field Units
