Odisha Naval Tata Hockey High Performance Center secures back to back wins at the Khelo India Women's Hockey League Under 21

New Delhi, December 16: The Odisha Naval Tata Hockey High Performance Center bagged their second-successive victory at the Khelo India Women's Hockey League Under 21 on Thursday. While the team won their first Group A match 1-0 against the Raja Nahar Academy on Wednesday, they sealed a massive 11-0 victory against the Mumbai School Sports Association on Thursday.

Against the Mumbai-based team, the Naval Tata Hockey High Performance Centre rode on braces each from Sandhya Kujur and Munmuni Das en-route to their 11-0 victory.

"The team has tried to play in the best way possible. Of course, we have taken a little time to settle in from our 1-0 win yesterday but we are finally on the right track. We did well today to get the 11-0 win. Our defence and attack was good as well," Sandeep Kaur, coach, Naval Tata Hockey, said. "We started the academy back in 2019 and most of our players are God-gifted and everyone is talented enough and have prepared in the best way possible for this competition."
