New Delhi: July 12th 2023

NSNIS Patiala looking to get CSR Partners for its Coaching and Sports Science education program

New Delhi, July 12th: Sports Authority of India (SAI) during its 57th Governing Body Meeting (GBM) had approved the proposal to expand the current Corporate Social Responsibility (CSR) initiative to SAI's Academics and Coach Training Programs and further strengthen and support the growing demands from the sports environment in the country.

Under the new initiative, the aegis of the SAI, NSNIS Patiala intends to enter into CSR partnerships with organizations of repute (companies/trusts/society/LLPs/etc.) for obtaining financial or operational support on various areas in Academics.

CSR initiatives at NSNIS Patiala will aim towards the aspects such as courses in Coach Education, development of Sports Academics Infrastructure, equipment for academic purposes and Sports Science equipment for labs, research in Sports Coaching and Sports Sciences (technical, tactical, and skill development aspects of coaching and training of athletes), capacity building for Faculty, Coaches and Sports Scientist, International faculty exchange/exposure (including travel arrangements), student internship programs, any other Services in support of academics such as buses for transportation of the trainees of the institute; providing books for library, publication, Wi-Fi/technical support; providing manpower in terms of professionals/faculty/technical expertise; and any other facilities related to Coach education and development program to develop quality manpower in the sports sector through its academic programs.

The above-mentioned support will also extend to SAI's Regional Academic Centres at Bangalore, Kolkata, and Thiruvananthapuram.

Further details on the above can be found on the SAI website - https://sportsauthorityofindia.nic.in/sai/public/assets/news/1688707702_Eoi-for-Engagement-of-Partners-in-Academics-.pdf with the last date to submit an expression of interest (EOI) being 28th July 2023.
