- (i) The bid shall remain valid for acceptance for a period of **180 days** after the date of bid opening, prescribed in the bid document. Any bid valid for a shorter period shall be treated as unresponsive and rejected.
- (ii) In exceptional circumstances, Purchaser may request the bidders' consent to extend the validity of their bids up to a specified period. The bidders agree to extend the bid validity period. However, they will not be permitted to modify their original bids during the extended bid validity period.
- (iii) In case, the day up to which the bids are to remain valid falls on a holiday or on a day declared as holiday or closed day for the Purchaser, the bid validity shall automatically be extended up to the next working day.

25. Purchaser's right to accept any bid and to reject any or all bids.

The Purchaser reserves the right to cancel the bidding process and reject all bids at any time prior to award of contract, without incurring any liability, whatsoever to the affected bidder or bidders.

26. Signing of bids

- (i) The bidders shall submit their bids as per the instruction contained in ITB.
- (ii) The tender shall either be typed or written in legible/ indelible ink and the same shall be signed by the bidder or by a person (s) who has been duly authorized to bind the bidder to the contract. The letter of authorization shall be by a written power of attorney/board resolution, which shall also be furnished along with the bid.
- (iii) The tender shall be duly signed at the appropriate places as indicated in the TE documents and all other pages of the tender including printed literature, of any shall be initialed by the same person(s) signing the tender. The tender shall not contain any erasure or overwriting, except as necessary to correct any error made by the bidder and, if there is any such correction; the same shall be initialed by the person(s) signing the tender.

(e) SUBMISSION OF BIDS**27. Submission of bids**

- (i) Bids should be submitted On-line as per the instructions given for On-line submission under Section II (B).
- (ii) Bids must be received by the Purchaser not later than the date and time prescribed in the bid document.
- (iii) Purchaser, at his discretion, may extend the deadline for submission of bids by amending the bid document in accordance with clause 9 of **ITB**. In that case, all rights and obligations of the Purchaser and the bidders would automatically stand extended.
- (iv) Submission of more than one bid by the same bidder shall entail him for disqualification from participating in the bid process. OEM or its Agent / Authorized Dealer shall submit the Bid.

(f) BID OPENING**28. Opening of bids**

- (i) The Purchaser will open the bids at the specified date, time and place as indicated in the IFB in **Section-I**. If due to administrative reasons the venue / date/ time of bid opening are changed, it will be uploaded on CPP Portal and on the SAI's website.
- (ii) In case the specified date of bid opening falls on a holiday or is subsequently declared a holiday or closed day for the Purchaser, the bids will be opened at the appointed time and place on the next working day.
- (iii) Authorized representatives of the bidders, who have submitted bids on time may attend the bid opening provided they bring with them letters of authority from the corresponding bidders. Letter of authority for attending the bid opening meeting should be in the format placed at **Section IV (G)**.
- (iv) The bid opening will be conducted through video conference. The id will be shared through CPP Portal. Two – bid system as mentioned in Para 13 above will be as follows:-
 - a) **Technical Bids** will be opened in the first instance, at the prescribed date and time as indicated in **Section –I (IFB)**. These bids shall be scrutinized and evaluated by the Purchaser with reference to parameters prescribed in the Bid Document. During the Technical bid opening, the bid opening official(s) will read the salient features of the bids like brief description of the items offered, delivery period, Bid Security and any other special features of the bids, as deemed fit by them. Thereafter, in the second stage, the Financial Bids of only the technically accepted bids / offers (as decided in the first stage) shall be opened for further scrutiny and evaluation on a date notified after the evaluation of the Technical Bid. The prices, special discount if any offered etc., as deemed fit by bid opening official(s) will also be read out.

(g) SCRUTINY AND EVALUATION OF BIDS**29. Basic Principle**

Bids will be evaluated on the basis of the terms & conditions already incorporated in the TE document, based on which tenders have been received and the terms, conditions etc.

mentioned by the bidders in their tenders. No new condition will be brought in while scrutinizing and evaluating the tenders.

30. Scrutiny of Tenders

- (i) The Purchaser will examine the Tenders to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed stamped and whether the Tenders are generally in order.
- (ii) Purchaser will determine the responsiveness of each Tender to the TE Document without recourse to extrinsic evidence.
- (iii) The tenders will be scrutinized to determine whether they are complete and meet the essential and important requirements, conditions etc. as prescribed in the TE document. The tenders, which do not meet the basic requirements, are liable to be treated as non – responsive and will be summarily ignored.
- (iv) The following are some of the important aspects, for which a tender shall be declared non – responsive and will be summarily ignored;
 - a) Qualification Criteria not enclosed
 - b) Tender is unsigned.
 - c) Tender validity is shorter than the required period
 - d) *Deleted.*
 - e) Bidder has quoted for goods manufactured by other manufacturer(s) without the required Manufacturer’s Authorization letter.
 - f) Bidder has not agreed to give the required performance security.
 - g) Goods offered are not meeting the tender enquiry specification.
 - h) Bidder has not agreed to other essential condition(s) specially incorporated in the tender enquiry like terms of payment, liquidated damages clause, warranty clause, dispute resolution mechanism applicable law.
 - i) Poor/ unsatisfactory past performance.
 - j) Bidder has not quoted for the entire quantity and all the items as specified in the List of Requirements in the quoted schedule/ group.
 - k) Bidder has not complied with the requirement of Clauses of ITB.
 - l) Any other conditions as deem fit.
 - m) Bid by Foreign Companies. (Only Indian companies are allowed to BID) or Non-Submission of required declaration regarding Class I / Class II Local Supplier/Declaration as per New GFR Clause, 144 (ix).

Note: These are only indicative criteria, the Purchaser may add or import other terms of this Tender as important criteria for evaluation of the Bid.

31. Minor infirmity/irregularity/Non-conformity

If during the preliminary examination, the purchaser finds any minor infirmity and/ or irregularity and/ or non-conformity in a tender, the purchaser will convey its observation on such ‘minor’ issues to the bidder by speed post/ mail etc. asking the bidder to response by a specified date. If the bidder does not reply by the specified date or gives evasive reply without clarifying the point at issue in clear terms, that tender will be liable to be ignored.

Determination of any infirmity as minor is the sole discretion of the Purchaser.

32. Discrepancies in Prices

- a) If, in the price structure quoted by a bidder, there is discrepancy between the unit price and the total price (which is obtained by multiplying the unit price by the quantity), the unit price shall prevail and the total price corrected accordingly.

- b) If there is an error in a total price, which has been worked out through addition and/or subtraction of subtotals, the subtotals shall prevail and the total corrected, and
- c) If there is a discrepancy between the amount expressed in words and figures, the amount in words shall prevail, subject to sub clause 31 of ITB.
- d) If, as per the judgment of the purchaser, there is any such arithmetical discrepancy in a tender, the same will be suitably conveyed to the bidder by registered/speed post. If the bidder does not agree to the observation of the purchaser, the tender is liable to be ignored.

33. Qualification Criteria

Bids of the Bidders, who do not meet the required Qualification Criteria prescribed in Clause 14 of Section II A read with Section III (A), will be treated as non - responsive and will not be considered further.

34. Conversion of tender currencies to Indian Rupees

Deleted N/A

35. Comparison of Bids and Award Criteria

- (i) The comparison of the techno commercially responsive Bids for ranking purpose shall be carried out on Delivery on DDP basis at Consignee Site basis, inclusive of applicable taxes, duties, incidental services. The CAMC prices, if any will also be added for comparison/ranking purpose for evaluation.
- (ii) The Contract shall be awarded to the responsive Bidder(s) who is lowest in each Group and who meets the laid down Qualification Criteria in the Bid documents.
- (iii) The Purchaser reserves the right to give the price preference/ purchase preference as per the instruction in vogue while evaluating, comparing and ranking the responsive Bids. The Bidders claiming the same should enclose the concerned Notification of Govt. of India along with other relevant documents so as to establish their claim for such preferences.

36. Contacting the Purchaser

- (i) From the time of submission of tender to the time of awarding the contract, if a BIDDER needs to contact the purchaser for any reason relating to this tender enquiry and / or its tender, it should do so only in writing.
- (ii) In case a bidder attempts to influence the purchaser in the purchaser's decision on scrutiny, comparison & evaluation of tenders and awarding the contract, the tender of the bidder shall be liable for rejection in addition to appropriate administrative/legal actions being taken against that bidder, as deemed fit by the purchaser.

(h) AWARD OF CONTRACT

37. The Purchaser's Right to accept any tender and to reject any or all tenders

The purchaser reserves the right to accept in part or in full any tender or reject any or more tender(s) without assigning any reason or to cancel the tendering process and reject all tenders at any time prior to award of contract, without incurring any liability, whatsoever to the affected tenderer or tenderers.

38. Notification of Award

- (i) The bidder whose bid has been accepted will be notified of the award by the Purchaser prior to the expiry of the bid validity period.
- (ii) Before expiry of the bid validity period, the Purchaser will notify the successful bidder in writing, by speed post or email that its bid for items, which have been selected by the Purchaser, has been accepted; also briefly indicating there-in, that the essential details like description, quantity of the items, and delivery period, and prices have been accepted. The successful bidder must furnish to the Purchaser the required Performance Security within 30 days from the date of dispatch of this notification. SAI reserves the right to impose penalty @ 0.05% of contract value per day for further period of 07 days, failing which the Bid Security will be forfeited and the award will be cancelled. Relevant details about the Performance Security have been provided under GCC Clause 5 under **Section VII (A)**.
- (iii) The Letter of Award (LoA) will state the sum that the Purchaser will pay to the successful bidder in consideration of the items to be supplied by him.
- (iv) The details of award of work and name of the successful bidder shall be mentioned on the CPPP and also in the notice board/bulletin/website of SAI.
- (v) Notification of Award shall constitute the conclusion of the Contract.

39. Issue of Contract

- (i) Promptly after notification of award, the Purchaser will mail the Contract Agreement as per **Section VIII (A)**, duly completed to the successful bidder by speed post/mail.
- (ii) The successful bidder shall return the contract in duplicate duly typed on stamp paper and duly signed and dated, to the Purchaser by speed post/mail within **seven** days from the date of issue of the contract.
- (iii) The purchaser reserves the right to issue the Notification of Award consignee wise.

40. Annulment of Award

Failure of the successful bidder to comply with the requirement of signing an agreement with the Purchaser and furnishing Performance Security as per clause 5 of **Section VII (A)** shall constitute sufficient ground for annulment of the award and forfeiture of bid security.

41. Termination of Contract

The SAI reserves the right to terminate the contract without assigning any reason. Before termination of contract, SAI will notify the service bidder giving a notice of 30 days.

42. Disqualification

Purchaser reserves the right to disqualify the bidder for a suitable period who fails to supply the items in time. Further, the bidder(s) whose items do not perform satisfactorily in accordance with the specifications may also be disqualified for a suitable period by the Purchaser. Misrepresentation of facts if found at any stage during the contract period including warranty clause will also attract disqualification. Time and quality of equipment/items is the essence of the Agreement.

43. Non-receipt of Performance Security and Contract by the Purchaser

Failure of the successful Bidder in providing Performance Security and / or returning contract copy duly signed in terms of ITB shall make the Bidder liable for forfeiture of its bid security and, also, for further actions by the Purchaser against it as per the clause 21 of GCC – Termination of default in Section-VII (A) and other administrative actions as deemed fit by the purchaser.

44. Corrupt or fraudulent practices

- (i) It is required by all concerned namely the Consignee/Bidder/Supplier to observe the highest and utmost standard of ethics during the procurement and execution of such contracts. In pursuance of this policy, the Purchaser: -
 - a) Will reject a proposal for award if it determines in its sole discretion that the bidder recommended for award has engaged in corrupt or fraudulent or collusion or coercive practices in competing for the contract in question;
 - b) Will declare a firm ineligible or blacklist for a stated period of time, to be awarded a contract by the Purchaser if it at any time determines that the firm has engaged in corrupt or fraudulent or collusion or coercive practices in competing for, or in executing the contract
 - c) The Purchaser reserves the right not to conclude the contract and in case contract has been issued, terminate the same, if found to be obtained by any misrepresentation, concealment and suppression of material facts by the bidder. In addition, Bid Security/ Performance Security (as the case may be) deposited by the bidder shall be forfeited and legal as well as administrative action for such misrepresentation, concealment and suppression of material facts shall be initiated.

45. Conflict of Interest among bidders/agents

- (i) A bidder shall not have conflict of interest with others bidders. Such conflict of interest can lead to anti-competitive practices to the detriment of purchaser's interests. The bidder found to have a conflict of interest shall be disqualified. A bidder may be considered to have a conflict of interest with one or more parties in this bidding process if;
 - a) they have controlling partner (s) in common; or
 - b) they receive or have received any direct or indirect subsidy/financial stake from any of them; or
 - c) they have the same legal representative/agent for purposes of this bid; or
 - d) they have relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the bid of another bidder; or
 - e) bidder/s participate in more than one bid in this bidding process. Participation by a bidder in more than one Bid will result in the disqualification of all bids in which the parties are involved. However, this does not limit the inclusion of the components/ sub-assemblies from one bidding manufacturer in more than one bid.
 - f) a bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specification of the contract that is the subject of the bid;
 - g) in case of a holding company having more than one independently manufacturing units, or more than one unit having common business ownership/management, only

one unit should quote. Similar restrictions would apply to closely related sister companies. Bidders must proactively declare such sister/common business/management units in same/similar line of business.

SECTION-II
(B) Instructions for Online Bid Submission

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal. More information useful for submitting online bids on the CPP Portal may be obtained at: <https://eprocure.gov.in//eprocure/app>.

A. REGISTRATION

- (i) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: eprocure.gov.in//eprocure/app) by clicking on the link “Online bidder Enrolment” on the CPP Portal which is free of charge.
- (ii) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- (iii) Bidders are advised to register their valid e-mail address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- (iv) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify/TCS/nCode/eMudhra etc.), with their profile.
- (v) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC’s to others which may lead to misuse.
- (vi) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

B. SEARCHING FOR TENDER DOCUMENTS

- (i) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- (ii) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective ‘My Tenders’ folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- (iii) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the helpdesk.

C. PREPARATION OF BIDS

- (i) Bidder should take into account corrigendum published on the tender document before submitting their bids.
- (ii) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Bidders to specifically take note of the fact about the number of covers in which the bid documents have to be submitted, the number of documents – including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- (iii) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
- (iv) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided by the bidders. Bidders can use “My Space” or “Other Important Documents” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

D. SUBMISSION OF BIDS

- (i) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- (ii) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- (iii) Bidder has to select the payment option as “offline” to pay the tender fee / EMD as applicable and enter details of the instrument.
- (iv) Bid Security/Earnest Money Deposit (EMD) has been replaced with Bid Securing Declaration is exempted as per Ministry of Finance, Department of Expenditure O.M. dated 12th November 2020. However, all bidders are required to upload along with the technical bid, a duly signed and sealed copy of Bid Securing declaration as per Section IV (D).
- (v) The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- (vi) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers’

public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.

- (vii) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- (viii) Upon the successful and timely submission of bids (i.e. after Clicking “Freeze Bid Submission” in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with bid no. and the date & time of submission of the bid with all other relevant details.
- (ix) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

E. ASSISTANCE TO BIDDERS

- (i) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contract person indicated in the tender.
- (ii) Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk. The Contract number for the helpdesk is 1800 3072 2232. Foreign bidder can get help at +91-7878007972, +91-7878007973. Any query by any other mode will be inadmissible.

SECTION - VII - A

GENERAL CONDITIONS OF CONTRACT (GCC)

1. Application

- a) The General Conditions of Contract incorporated in this section shall be applicable for this purchase to the extent the same is not superseded by Schedule of Requirements under Section V and Technical Specification under Section VI of this document.

2. Use of contract documents and information

- a) The supplier shall not, without the purchaser's prior written consent, disclose the contract or any provision thereof including any specification, drawing, sample or any information furnished by or on behalf of the purchaser in connection therewith, to any person other than the person(s) employed by the supplier in the performance of the contract emanating from this TE document. Further, any such disclosure to any such employed person shall be made in confidence and only so far as necessary for the purpose of such performance for this contract.
- b) Further, the supplier shall not, without the purchaser's prior written consent, make use of any document or information mentioned in GCC sub clause 2.1 above except for the sole purpose of performing this contract.
- c) Except the contract issued to the supplier, each and every other document mentioned in GCC sub clause 2 (a) above shall remain the property of the purchaser and if advised by the purchaser, all copies of all such documents shall be returned to the purchaser on completion of the supplier's performance and obligation under this contract.

3. Intellectual Property Rights/Patent Rights

- a) The supplier shall, at all times, fully indemnify and keep indemnified the purchaser, free of cost, against all claims which may arise in respect of goods & services to be provided by the supplier under the contract for infringement of any intellectual property rights or any other right protected by patent, registration of designs or trademarks, copyright etc. Being made against the purchaser, the purchaser shall notify the supplier of the same and the supplier shall, at his own expense take care of the same for settlement and if required, duly represent the purchaser before any courts/forums in this regard, without any cost liability to the purchaser.

4. Country of Origin

- a) All goods and services to be supplied and provided for the contract shall have the origin in India.

b) The word “origin” incorporated in this clause means the place from where the goods are mined, cultivated, grown, manufactured, produced or processed or from where the services are arranged.

c) The country of origin may be specified in the price schedule.

5. **Performance Security**

- a) As guarantee for the due performance, observance and fulfillment of all obligations, terms, conditions, representations, warranties and covenants of the Supplier under the Bidding Documents within 21 days from the date of the issue of notification of award by the purchaser, the Supplier shall furnish Performance guarantee to the Purchaser for an amount equivalent to three per cent (03%) of the total value of the contract prior signing of this contract.
- b) Performance Security should remain valid for a period of sixty days beyond the date of completion of all contractual obligations of the supplier including warranty period of 1 year from the date of acceptance of the items by the consignee(s).
- c) Supplier may furnish performance guarantee in the form of an account payee Demand Draft, Fixed Deposit Receipt from a commercial bank, Bank Guarantee from a Commercial bank in an acceptable form in the format at **Section VIII (B)**, safeguarding the Purchaser’s interest in all respects in favour of:

“ SAI Public Account”

- d) In the event of any amendment issued to the contract regarding extension of delivery period, the supplier shall, within 15 days of issue of the amendment, furnish the corresponding amendment to the Performance Security (as necessary), rendering the same valid in all respects in terms of the amended contract.
- e) The Purchaser will release the Performance Security without any interest to the supplier on completion of the supplier’s all contractual obligations including the warranty obligations subject to adjustment of all amounts/losses/damages/recoveries/penalties payable to the Purchaser and claims of Purchaser, there from.
- f) The Performance Security shall be denominated in Indian Rupees in any one of the forms namely Account Payee Demand Draft or Fixed Deposit Receipt drawn from any Scheduled bank in India or Bank Guarantee issued by a Scheduled bank in India, in the prescribed form as provided in **Section-VIII(B)** of this document in favor of the Purchaser.
- g) Performance Security shall be forfeited and credited to the accounts of SAI, in the event of a breach of contract by the supplier, in terms of the relevant contract clauses. Without prejudice to its other rights and remedies under any contract, law or equity (including without limitation Purchaser’s right to terminate the Agreement for breach and claim for losses and damages),
- h) Supplier agrees that the decision of Purchaser in respect of any forfeiture/invoication/adjustment of the Performance Security will be final and binding on the Supplier. Purchaser shall be entitled, without any limitation or interference, to forfeit/invoke/adjust the Performance Security, as set out in this Section. Upon forfeiture/invoication/adjustment of the Performance Security as aforesaid, the Supplier shall replenish the Performance Security to their original amounts within 7 days from the date of such forfeiture/invoication/ adjustment. In case of any delay or failure in replenishing the Performance Securities as set forth in the foregoing sentence,

Purchaser reserves its rights to terminate the Bidding Documents without any further notice/intimation and or any explanation to the Supplier at the cost and liability of the Supplier.

6. Technical Specifications and Standards

The Goods & Services to be provided by the supplier under this contract shall conform to the technical specifications mentioned in 'Technical Specifications' under Sections-VI of this document.

7. Packing and Marking

- a) The packing for the goods to be provided by the supplier should be strong and durable enough to withstand transit hazards, without limitation, the entire journey during transit including transshipment (if any), rough handling, open storage etc. without any damage, deterioration etc. As and if necessary, the size, weights and volumes of the packing cases shall also take into consideration, the remoteness of the final destination of the goods and availability or otherwise of transport and handling facilities at all points during transit up to final destination as per the contract.
- b) Unless otherwise mentioned in the Technical Specification under Section VI, the supplier shall make separate packages for each consignee (in case there is more than one consignee mentioned in the contract) and mark each package on three sides with the following with indelible paint of proper quality:-
 - (i) Contract number and date
 - (ii) Brief description of the goods including quantity
 - (iii) Packing list reference number
 - (iv) Country of origin of the goods
 - (v) Consignee's name and full address and
 - (vi) Supplier's name and address

8. Inspection, Testing and Quality Control

- (i) The Contractor should satisfy himself that the stores/goods are in accordance with the terms of the Contract and fully conform to the required specification by carrying out a thorough pre-inspection of each lot of the stores/goods before actually delivering the same to the consignee.
- (ii) In normal course the Stores/goods will be supplied by the contractor on the basis of Manufacturers own Pre-dispatch Inspection Certificate. However, purchased goods accepted by the purchaser/consignee and/or its authorized representative during inspection in terms of the contract shall in no way dilute purchaser's/consignee's right to reject the same later, if found deficient in terms of the Warranty Clause -14 of GCC.
- (iii) The Purchaser and/or its nominated representative(s) may, without any extra cost to the purchaser, inspect and/or test the ordered goods and the related services to confirm their conformity to the contract specifications incorporated in the contract. The Purchaser shall inform the supplier in advance, in writing, the purchaser's programme for such inspection and, also the identity of the officials to be deputed for this purpose. The cost towards the transportation, boarding & lodging of Purchaser and/or its nominated representative(s) will be borne by the Purchaser and/or its nominated representative(s). However, if no pre-inspection has been carried out by the purchaser, it shall have the right to inspect the same at its own premises as provided provisions mentioned herein below.

- (iv) For such inspections and tests which are conducted in the premises of the supplier or its subcontractor(s), all reasonable facilities and assistance, including access to relevant drawings, design details and production data, shall be furnished by the supplier to the purchaser's inspector at no charge to the purchaser.
- (v) If during such inspections and tests the contracted goods fail to conform to the required specifications and standards, the purchaser's inspector may reject them and the supplier shall either replace the rejected goods or make all alterations necessary to meet the specifications and standards, as required, free of cost to the Purchaser and resubmit the same to the purchaser's inspector for conducting the inspections and tests again.
- (vi) If the supplier tenders the goods to the purchaser's inspector for inspection at the last moment without providing reasonable time to the inspector for completing the inspection within the contractual delivery period, the inspector may carry out the inspection and complete the formality beyond the contractual delivery period at the risk, cost and expense of the supplier. The fact that the goods have been inspected after the contractual delivery period will not have the effect of keeping the contract alive and this will be without any prejudice to the legal rights and remedies available to the Purchaser under the terms and conditions of the contract.
- (vii) The purchaser's contractual right to inspect, test and, if necessary, reject the goods after the goods' arrival at the final destination shall have no bearing of the fact that the goods have previously been inspected and cleared by purchaser's inspector during pre-dispatch inspection mentioned above.
- (viii) The purchaser reserves the right to call for Latest lab-test report from authorized/accredited lab not later than a year old from Government or Government approved lab of each item quoted conforming to specifications as mentioned in Section VI. (If not applicable in the case of bidder firm from foreign country, lab-test report not later than a year old from accredited lab of the Authorized International Agency. - (iii) If a Force Majeure situation arises, the supplier shall promptly notify the Purchaser in writing of such conditions and the cause thereof within twenty-one days of occurrence of such event. Unless otherwise directed by the Purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
- (iv) If the performance in whole or in part or any obligation under this contract is prevented or delayed by any reason of Force Majeure for a period exceeding sixty days, either party may at its option terminate the contract without any financial repercussion on either side.
- (v) In case due to a Force Majeure event the Purchaser is unable to fulfill its contractual commitment and responsibility, the Purchaser will notify the supplier accordingly and subsequent actions taken on similar lines described in above sub-paragraphs.

25. Termination for convenience

- (i) The Purchaser reserves the right to terminate the contract, in whole or in part for its (purchaser's) convenience, by serving written notice on the supplier at any time during

the currency of the contract. The notice shall specify that the termination is for the convenience of the purchaser. The notice shall also indicate inter-alia, the extent to which the supplier's performance under the contract is terminated, and the date with effect from which such termination will become effective.

- (ii) The goods and services which are complete and ready in terms of the contract for delivery and performance at the earliest but not later than three (03) days after the supplier's receipt of the notice of termination shall be accepted by the Purchaser following the contract terms, conditions and prices.

26. Fall Clause

- a) The Supplier undertakes that he has not supplied/is not supplying similar products/system or sub-systems to any department of Govt. of India i.e. Central Government/State Government, Statutory Undertakings of Central/State Governments/Local Bodies etc. and as well as to private purchaser, domestic or foreign at a price lower than that offered in the present bid.
- b) If it is found at any stage that similar product/systems or sub systems was supplied by the Supplier to any of the above Organizations as well as to private purchaser, domestic or foreign, at a lower price, then that very price, with due allowance for elapsed time, will be applicable to the present case and the difference in the cost would be refunded by the Supplier to the Purchaser, if the contract has already been concluded.

27. Withholding and lien in respect of sums claimed

Whenever any claim or claims for payment of a sum of money arises out of or under the contract against the Supplier/Contractor, the Purchaser shall be entitled to invoke the performance security or withhold and also have a lien to retain such sum or sums in whole or in part from the security, if any, deposited by the Supplier//Contractor and for the purpose aforesaid, the Purchase shall be entitled to withhold the said cash security deposit or the security, if any, furnished as the case may be and also have a lien over the same pending finalization or adjudication of any such claim. In the event of the security being insufficient to cover the claimed amount or amounts or if no security has been taken from the Contractor, the Purchaser shall be entitled to withhold and have lien to retain to the extent of the such claimed amount or amounts referred to supra, from any sum or sums found payable or which at any time thereafter may become payable to the Supplier under the same contract or any other contract with the Purchaser or the Government, pending finalization or adjudication of any such claim and that The Supplier/Contractor shall have no claim for interest or damages whatsoever on this account or on any other ground in respect of any sum of money withheld or retained under this clause and duly notified as such to the Contractor.

28. Resolution of disputes

- (i) If dispute or difference of any kind shall arise between the Purchaser and the supplier in connection with or relating to the contract, the parties shall make every effort to resolve the same amicably by mutual consultations.
- a) If the parties fail to resolve their dispute or difference by such mutual consultation within twenty-one days of its occurrence, then, either the Purchaser or the supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided the applicable arbitration procedure will be as per the Arbitration and Conciliation Act, 1996 of India. In the case of a dispute or difference arising between

the Purchaser and a Supplier relating to any matter arising out of or connected with the contract, such dispute or difference shall be referred to the sole arbitration to be appointed by the Director General (Sports Authority of India) in accordance with the provisions of the Arbitration and Conciliation Act, 1996 as amended in 2015. The award of the arbitrator will be final and binding upon the parties to the Contract.
