## (f) SCRUTINY AND EVALUATION OF BIDS

### 24. Basic Principle

Bids will be evaluated on the basis of the terms & conditions already incorporated in the TE document, based on which tenders have been received and the terms, conditions etc. mentioned by the bidders in their tenders. No new condition will be brought in while scrutinizing and evaluating the tenders.

### 25. Scrutiny of Tenders

- (i) The SAI will examine the Tenders to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed stamped and whether the Tenders are generally in order.
- (ii) SAI will determine the responsiveness of each Tender to the TE Document without recourse to extrinsic evidence.
- (iii) The tenders will be scrutinized to determine whether they are complete and meet the essential and important requirements, conditions etc. as prescribed in the TE document. The tenders, which do not meet the basic requirements, are liable to be treated as non – responsive and will be summarily ignored.
- (iv) The following are some of the important aspects, for which a tender shall be declared non – responsive and will be summarily ignored;

such 'minor' issues to the bidder by registered / speed post etc. asking the bidder to response by a specified date. If the bidder does not reply by the specified date or gives evasive reply without clarifying the point at issue in clear terms, that tender will be liable to be ignored.

## **27. Discrepancies in Prices**

- a) If, in the price structure quoted by a bidder, there is discrepancy between the unit price and the total price (which is obtained by multiplying the unit price by the quantity), the unit price shall prevail and the total price corrected accordingly, unless the SAI feels that the bidder has made a mistake in placing the decimal point in the unit price, in which case the total price as quoted shall prevail over the unit price and the unit price corrected accordingly.
- b) If there is an error in a total price, which has been worked out through addition and/or subtraction of subtotals, the subtotals shall prevail and the total corrected, and
- c) If there is a discrepancy between the amount expressed in words and figures, the amount in words shall prevail, subject to sub clause 31 of ITB.
- d) If, as per the judgment of the SAI, there is any such arithmetical discrepancy in a tender, the same will be suitably conveyed to the bidder by e-mail/speed post. If the bidder does not agree to the observation of the SAI, the tender is liable to be ignored.

## **28. Qualification Criteria**
