SANJIV BARANWAL, IDSE
Director (Infrastructure)
HQ Sports Authority of India

Dated :

DETAILS OF PROPOSAL**1.0 Introduction**

1.1 Sports today is an integral part of the all round development of the human personality and achieving excellence in sports has great bearing on national prestige and morale. In order to meet the increasing demands of the changing scenario, national as well as international, Government has taken it upon itself to implement programs to promote excellence in sports. At the forefront of the efforts stand the Sports Authority of India (SAI) an autonomous organisation which is a society registered under Societies Registration Act 1860. The Authority is institutionally funded and controlled by Department of Sports, Government of India. Through its sports promotional schemes, SAI supports and nurtures talent in youth, and provides them with requisite infrastructure, equipment, coaching facilities and competition exposure.

1.2 The Sports Authority of India (SAI) was established by the Govt. in 1984 and presently primarily has the mandate to achieve excellence at the national and international level.

2.0 Aims & Objectives of SAI

- Talent Scouting at micro level & Nurturing talent towards excellence
- Training & International Exposure
- Support Training with Scientific & Sports Equipment and scientific personnel
- Monitor and enhance Performance with a scientific evaluation system
- Training and preparation of National teams
- Sports Infrastructure Development & Maintenance
- Maintenance and up gradation of 4 stadia complexes and a shooting range in Delhi
- To produce coaches and physical educationists of high caliber in different disciplines of sports to broad base sports.

3.0 Details of existing infrastructure:

3.1 There are ten Regional Centres and two Academic Institutions spread all over India of SAI. The States covered by these Centres and Institutions are as under:
