Notification of Objections (on PAC Procurement)

Notification of Objections (NIO) for Procurement of Timing Gate System (Microgate - Witty - Wireless Training 2+8 add-on gates) under PAC Rule 166 of GFR

As per the Procurement Advisory Committee (PAC) recommendation under Rule 166 of the General Financial Rules (GFR), the procurement of the Timing Gate System (Microgate - Witty - Wireless Training 2+8 add-on gates) for the Strength and Conditioning Department is being notified for objections.

Details of Procurement:

- **Bidder Name:** Areto Infinity Pvt Ltd
- **Bid Reference:** 09-06/9/2024-RC NS NIS Patiala - Faculty of Sports Sciences Division
- **Product:** Timing Gate System (Microgate - Witty – Wireless Training 2+8 add-on gates)
- **Total Quoted Amount:** INR 772,900.00

PAC Justification for Procurement:

The Timing Gate System (Microgate - Witty - Wireless) has unique features essential for the Strength & Conditioning department, specifically the minimum weight of each timing sensor (Approx. 169 grams), which is critical for daily training and testing on the field for the players.

Objection Period:

The notification is published for a period of 15 days. Any objections/comments from potential bidders/suppliers must be submitted within this period. If no objections are received, the NoA will be awarded to Areto Infinity Pvt Ltd upon the approval of the Competent Authority.

Submission of Objections:

All objections/comments should be submitted in writing to the contact details provided below: tambi.medbala@gov.in This notification is also available on the SAI NSNIS and CPPP websites for public access.
